I. General Information

Founded in 1965, the University of California, Irvine combines the strengths of a major research university with the bounty of an incomparable Southern California location.

With more than 27,000 students, 2,000 faculty members and 8,900 staff, UCI is among the fastest-growing campuses in the University of California system.

Orange County’s second-largest employer, UCI generates an annual economic impact on the county of $3.6 billion. [http://today.uci.edu/pdf/UCI_07_Facts_and_Figures.pdf](http://today.uci.edu/pdf/UCI_07_Facts_and_Figures.pdf)

II. Irvine and Orange County

IRVINE
The City of Irvine was incorporated on December 28, 1971. Irvine is one of the nation’s largest planned urban communities, with acclaimed community entertainment and recreation facilities and broad selections of the best education opportunities for children and adults. Money Magazine named Irvine as one of the four best places to live in. For seven years, Irvine has also consecutively achieved the title of “Safest City in America.” [http://www.ci.irvine.ca.us/about/default.asp](http://www.ci.irvine.ca.us/about/default.asp)

ORANGE COUNTY
Orange County is situated in sunny Southern California and is a convenient drive to both Los Angeles and San Diego.

With nearly 3,000,000 residents, Orange County is the fifth largest county by population in the country, offering a variety of communities that maintain a vibrant yet relaxed lifestyle, while maintaining a strong and diverse economy.
