

# 2015 SAFE ZONE TRAINING

SPONSORED BY THE ADVANCE PROGRAM & LGBT RESOURCE CENTER

**Safe Zone is a program that trains individuals to identify as Allies that are informed, supportive, and affirming of the LGBTQA community at UC Irvine.**

Safe Zone, which is a signature program of the Lesbian, Gay, Bisexual, Transgender Resource Center, is designed to create a more welcoming campus climate for LGBTQ and Ally faculty, staff, and students. The program fosters a community network that embraces sexual and gender diversity. This is an excellent opportunity to learn more about our campus community while promoting inclusion.

**Lunch will be provided. \*Attendance at both modules is required for certification.**
