FOR EQUITY AND DIVERSITY

# UC-HBCU Initiative Faculty Forum

**Tues, December 2, 2014**  
**9:00AM - 10:30AM**

**Graduate Resource Center**  
Room 3100 Gateway Study Center  
(Across the plaza from Langson Library)

The University of California's reputation as a premier research and teaching institution rests on its capacity to serve the State of California, and nation, at the highest levels. This requires attracting and graduating scholars who reflect the communities of the world. At the graduate level African Americans/Blacks are extremely under-represented in UC graduate and professional programs.

**The purpose of the initiative is to increase the participation of graduates of Historically Black Colleges and Universities in the wide array of distinguished doctoral and MFA programs throughout the UC system.**

The competition provides for two types of funding: **Summer Research Internship Support Grant** and **Summer Research and Graduate Admission Pathways Grant**.

UC Irvine faculty continue to be leaders in the University of California in building and sustaining research driven relationships with partner HBCU campuses.

**RSVP to Fiona Lee at [leefy@uci.edu](mailto:leefy@uci.edu) by Monday, November 24.**
