# The Women of UCI

## *Lunchtime Seminar Series*

Featuring Dr. Andrea Tenner

UCI Institute for Memory Impairments and Neurological  
Disorders (UCI MIND)

UCI faculty and staff are invited to join us for the first speaker of the 2014-2015 season focused on the challenges and triumphs faced by some of UC Irvine's most successful women as they inspire us in our own life's path.

Dr. Tenner is a researcher in the field of immunology focusing on the immune response and Alzheimer's Disease. She served as the Associate Dean for Research in the School of Biological Sciences and was awarded the UCI Emeritae/i Association Faculty Mentorship Award. Most recently she was appointed as the Director of UCI MIND and is the 2014-15 recipient of the UCI Academic Senate Daniel G. Aldrich, Jr. Distinguished University Service Award.

We are pleased that she will launch the A&PW year with a discussion of her career and share some of her personal insights for both academic and professional staff. Don't miss this unique opportunity!
