**Registration  
Ends April 23**

As a member of the UCI campus community, **you are invited to participate in what we hope will become a new campus tradition.** On Wednesday, May 7, from 11:30 a.m. to 1:00 p.m., UCI will inaugurate the first ever Global Equity Games at Aldrich Park. The purpose of the event is **to build and sustain an inclusive community by playing, learning and having fun together.**

The centerpiece of the Global Equity Games is a series of seven fun challenges. **Up to 20 teams – consisting of faculty, students and staff – will work together** to solve brain teasers, design and build temporary structures, and juggle and balance familiar and not so familiar objects. Surrounding the games will be variety of informational tables and booths representing a range of campus offices and programs as well as faculty, student and staff organizations. Lunch will be served to all registrants.

All students, staff and faculty are warmly encouraged to participate in or observe the games. Physical ability is not required to take part in the games. **If you'd like to join a team, volunteer or just want additional information, please visit the Global Equity Games Web page.** We recommend that you respond quickly, because participant spots are limited.

Please join us in making a vital new tradition. Register to join a team. **Stretch, grow and build community.**
